## School Uniform Policy

The Governing Body believes that our uniform is essential to the ethos of our school community as it establishes a clear sense of identity, fosters a sense of inclusive belonging, and engenders both positive behaviour and self-discipline, which in turn supports teaching and learning.

The school has arrangements in place to ensure that no family feels unable to apply for admission because of high uniform costs, including sports kit and any other specialist equipment outlined in the school's uniform and equipment policy. Should you have any concerns in this regard, please do not hesitate to inform us of these. This information will be treated discreetly.
